

# ISLAND SPAS

# WELLNESS FOR EVERY BODY

No matter your size, your shape, or your need for hydrotherapy, we have a product that was designed and built with passion for you.

## PROUDLY MADE IN LAS VEGAS, NV

As an American spa manufacturer based in Las Vegas, Nevada, USA, we bring 30 years of industry experience to every product we create. Being based in America ensures exceptional craftsmanship, stringent quality control, and superior customer service.

## INNOVATIVE TECHNOLOGY

Our hot tubs boast exceptional energy efficiency, saving you money while being eco-friendly. Enjoy powerful, customizable jets for targeted massage, and top-tier insulation to maintain optimal temperature, ensuring a luxurious and cost-effective spa experience right at home.

## QUALITY CONSTRUCTION

Backed by an extensive warranty and made from sturdy materials, our hot tubs guarantee superior durability. Experience peace of mind with our products, designed for lasting enjoyment.

## COMMITTED TEAM

We're dedicated to delivering more than just a hot tub—we're bringing wellness to your home. With us, you're not just investing in a hot tub—you're gaining a reliable network to make your spa experience effortless and enjoyable.

## **TRIPLE A STANDARD**

---

### **AESTHETIC CUSTOMIZATION**

We offer the largest selection of hot tubs with distinct customization options, including lighting, water features, and color choices. Tailor your spa to perfectly fit any space and meet your unique needs, achieving Wellness for Every Body.

### **ABSOLUTE HYDROTHERAPY**

Every body is different, which is why we provide a wide variety of hydromassage jet options including our cutting-edge H2O Powerflow, Helix, Hydro Extreme, neck and shoulder jets, and unmatched powerful Dual Footblasters.

### **ADVANCED SPA MAINTENANCE**

Artesian offers user-friendly ease of maintenance with our advanced clean water management systems. Choose from the Waterlab, Diamond AOP™, FROG® @ease® In-Line System, and Ozonator, ensuring a hassle-free spa experience.

**SETTING A  
NEW STANDARD**

## 2025 ISLAND SPAS

Experience a bold, modern design, offering unmatched customization and powerful hydrotherapy tailored to your every need.

# POPULAR OPTIONS

## SPA CONTROL, ANYWHERE YOU GO

Take full control of your spa with our app-based system, powered by Wi-Fi for seamless connectivity. Whether you're preparing your spa on the way home or checking in from your vacation house, enjoy the convenience of managing your spa anytime, anywhere in the world.

## ADVANCED CLEAN WATER SYSTEMS

Keep your hot tub water crystal clear with options like Frog® @ ease®, Diamond AOP™, Waterlab, and an Ozonator.

## IMMERSIVE HOT TUB AUDIO

With the optional Bluetooth Audio integrated into your hot tub, it becomes more than a retreat—it's a complete sensory experience. Transducers are seamlessly built into the tub, turning the entire hot tub into a speaker, ensuring an immersive audio experience without compromising its sleek design.

## RELAXING PILLOWFALL

For a deep level of relaxation, choose the Pillowfall upgrade. This gentle stream flows around your neck and shoulders easing away stress and tension.

## MODERN LIGHTING

Upgrade to Elite lighting to enhance your hot tub with illuminated valve handles and exterior corners for a stunning, modern nighttime look.

## WORRY-FREE RELAXATION

Extend your warranty by 2 additional years on key components, ensuring your hot tub experience remains worry-free. Relax and enjoy, knowing you're covered for years to come.

# 2025

# ADVANCED SPA MAINTENANCE

## FROG® @ease®

The Mineral Sanitizer

The built-in hot tub sanitizer with minerals and up to 75% less chlorine.

## DIAMOND AOP™

UV-C Light & Ozone Sanitizer

An advanced sanitizer creating powerful hydroxyl radicals that rapidly eliminate bacteria, keeping your spa water crystal clear.

## OZONATOR

Ozone Sanitizer

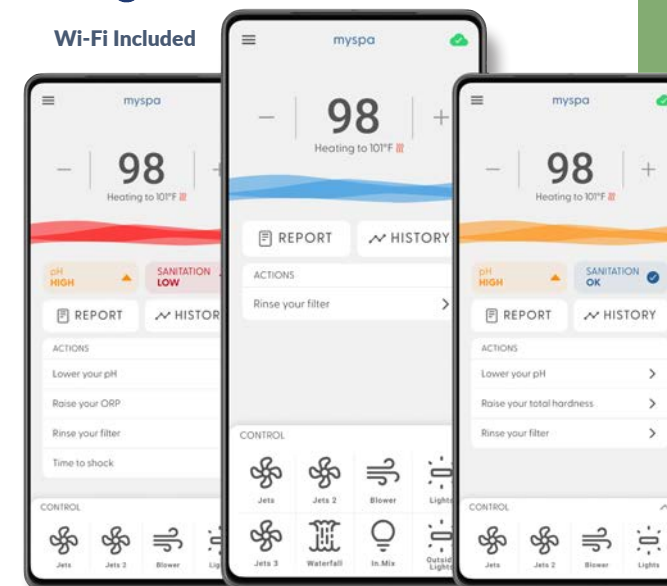

Ozonator naturally purifies water by eliminating bacteria, reducing chemical use for a cleaner, eco-friendly spa experience.

## WATERLAB

Take the guesswork out of water maintenance.

Wi-Fi Included

### PEACE OF MIND

Access to exact water measurement from anywhere without color interpretation.

### SIMPLE TO USE

No test strips needed—get easy instructions to maintain crystal-clear water directly from the app.

### ALL-IN-ONE MOBILE APP

Stay in control of your spa with the app—receive notifications and manage settings from anywhere.

### SET AND FORGET SOLUTION

Hands-free and durable probe with 4 years of reliable performance.

# 2025

# ABSOLUTE HYDROTHERAPY

## TARGETED THERAPY

*Helix Jets*

Helix jets create a spiraling water motion for a dynamic, pulsating massage. Their twisting design delivers heightened pressure, targeting muscles with precision.

## SOOTHE YOUR SOLES

*Dedicated pump & Dual Footblasters*

Melt away tension as dual multi-port Dual Footblaster jets powered by an additional dedicated pump deliver a powerful and precise massage to every sore spot in your feet.

## EASE NECK TENSION

*Neck Collar Jets*

Multiport jets gently wrap around your neck and shoulders, delivering a soothing massage that relieves built-up tension. The focused water flow targets key pressure points, leaving you feeling relaxed and refreshed.

## MORE THAN RELAXATION

*The wellness benefits of hydrotherapy*

### RELAXATION

Sink into pure bliss as warm, bubbling water wraps around you, melting stress and leaving you utterly renewed.

### RECOVERY

Delivering deep muscle relief to help you recharge and recover faster after every workout or long day.

### CONNECTION

Turn moments into memories, bringing loved ones closer with the simple joy of soaking together.

### WELLNESS

Support your well-being, promote better sleep, a lifted mood, and a healthier lifestyle through hydrotherapy.

## YOUR FEET DESERVE LUXURY TOO

Footblasters deliver powerful, targeted jets that rejuvenate tired, aching feet. Designed to stimulate reflexology points, they provide an invigorating massage that enhances relaxation and overall well-being.

## ADVANCED CLEAN WATER SYSTEMS

Keep your hot tub water crystal clear with care systems like Frog® @ease® in line system, Diamond AOP™, Crystal ProPure™, and an Ozonator.

## PREMIUM AUDIO & WI-FI

Transform your hot tub into an entertainment oasis with our premium audio system! With optional Wi-Fi and BBA audio, accessible through an intuitive app, relax to your favorite playlist.

## RELAXING WATER FEATURES

Enhance your hot tub experience with the soothing sounds of the TranquilityFall, cascading gently into the spa. For ultimate relaxation, upgrade to the Pillowfall feature, where a soft stream flows over your neck and shoulders.

## LIGHT UP YOUR SPA NIGHTS

Lighting options from DynaBrite's vibrant features to Oasis Kickrail's ambient exterior lights, elevate your spa experience with stunning illumination.

## DESIGNED FOR PEACE OF MIND

Extend your warranty by 2 additional years on key components, ensuring your hot tub experience remains worry-free. Relax and enjoy, knowing you're covered for years to come.
